The central theme of the Kaddish is the magnification and sanctification of God's name. In the liturgy, different versions of the Kaddish are used functionally as separators between sections of the service.

According to the Talmud Bavli (tractate Taanit 2a), tefillah ("prayer") is a Biblical command: ""You shall serve God with your whole heart.'(Deuteronomy 11:13) What service is performed with the heart? This is tefillah." Prayer is therefore referred to as Avodah sheba-Lev ("service that is in the heart").
